

Appendix Three - Plans of zone boundaries and street changes

LEGEND

	PROPOSED WADESTOWN EAST PERMIT ZONE
	PROPOSED WADESTOWN WEST PERMIT ZONE
	PROPOSED CYCLE LANE - STAGE 2 WADESTOWN CONNECTIONS

General Notes:
 1. All dimensions are in Metres. All dimensions are not to be scaled off the drawings - the contractor is to contact the engineer if there are any discrepancies
 2. All works to comply with NZTA's Manual of Traffic Signs and Markings (MOTSAM)
 3. All existing services to be located on-site by the Contractor prior to commencing physical works - it is the contractor's responsibility to locate Services.
 4. Although the information displayed has been prepared with care and in good faith, this map is designed to be illustrative only. TLDE cannot guarantee the accuracy or completeness of the information and accepts no liability for any loss suffered as a result of reliance on it.
 5. Property boundary/Asset display may not be survey accurate, and can only be verified by a registered surveyor.
 6. This map is drawn on the New Zealand Transverse Mercator projection, using New Zealand Transverse Mercator 2001 Cadastral information sourced from Land Information New Zealand. Crown Copyright Reserved.

General Notes:

1. All dimensions are in Metres. All dimensions are not to be scaled off the drawings - the contractor is to contact the engineer if there are any discrepancies
2. All works to comply with NZTA's Manual of Traffic Signs and Markings (MOTSAM)
3. All existing services to be located on-site by the Contractor prior to commencing physical works - it is the contractor's responsibility to locate Services.
4. Although the information displayed has been prepared with care and in good faith, this map is designed to be illustrative only. TLDE cannot guarantee the accuracy or completeness of the information and accepts no liability for any loss suffered as a result of reliance on it.
5. Property boundary/Asset display may not be survey accurate, and can only be verified by a registered surveyor.
6. This map is drawn on the New Zealand Transverse Mercator projection, using New Zealand Transverse Mercator 2001 Cadastral information sourced from Land Information New Zealand. Crown Copyright Reserved.
